

## **MEDIA RELEASE**

**29 March 2019**

### **Charitable trust to support Christchurch**

Alliance Group, along with the other main meat processors and the Meat Industry Association, have launched a charitable trust to benefit those affected by the tragedy in Christchurch.

Farmers sending their stock to Alliance Group can nominate either a number of animals or a sum of money from the sale with the proceeds being paid directly to the Meat Industry Association Halal Community Response Fund.

The funds will be distributed to the "Our People, Our City Fund", part of The Christchurch Foundation.

Farmers who wish to make a donation should firstly advise their livestock representative then complete the form below. The form should accompany stock to the plant along with other supply documentation. Donations will be clearly itemised on the processing sheet.

**PLEASE SCROLL DOWN TO ACCESS THE FORM**
